1. The 3rd unit test will be postponed to 03/20.
2. We opened a “student corner” on our website, and it will publish good essays (in Chinese) written by our students. We welcome all the students to submit their essays. Please let your teachers check the essays first and then the teachers send the essays to the dean.
3. Due to schedule conflict, the 2nd all parent town meeting will be moved to 03/20. The meeting will be held at 10:30 AM on 03/20 in cafeteria. We will report the operation of the school in the past half year to all parents. You are welcome to ask any questions at the meeting.
4. To provide daddies some fun at school, our school is organizing a men (adult) soccer team (seems all our adults classes are for mommies). We welcome all the daddies to join the team. The only requirement is that you love to play, no matter what skill you have. If you have interest to join the team, please register with PTA member, Leon Li.
5. Starting from now, our students can get credits from all high schools in Freehold Regional High School District (FRHSD). The students need apply for the credits individually and then take ACTEF OPI assessment. After they pass the assessment, they can get at least 5 credits. For more information, please check our website (will come out this week).
