

Huaxia South Chinese School Weekly News
June 23, 2010

1. David Xin, Frank Cai, and Sue Su had submitted their resignation as directors. We appreciate the contributions they made to our school. Going forward, we will have our school decision making process more transparent and keep parents well informed with current school issues. We are committed to make our school a better place for our kids by enhancing parent involvement in our school management.
2. Next school year will start in the middle of September. We are still working with Marlboro High School on the next year calendar. When we fix the school opening date, we will post it on our website.
3. This is the last weekly news I send to you for school year 2009-2010. We thank all of you for the contributions and support. We wish everyone a good summer and hope to see you all at school on the next school year.
